Subject:	Notes on scope and areas of responsibility for NA consensus group

- The scope of this group's effort as defined by R. Solana on 7-Dec is origins of TSNA in mainstream smoke. Information about VNAs and SS will be reviewed if it provides insight on origins of TSNA in MS .

- The areas of responsibility agreed upon at our 3-Nov discussion are:

Smoke, external literature	Kinser and Tricker
Internal research, Richmond	Haut and Ferguson
Filler, external literature	Renaud
Internal research, PME	Renaud
Internet	Ferguson and Tricker
Patent literature	Hempfling
